

## CRUSHED UNDER A FREIGHT TRAIN

Sumner Langford Instantly Killed  
at the Dutton Commissary.

HIS LEGS AND ONE ARM SEVERED

In Attempting to Board the Train He  
Made a Mistake, Falling Under the  
Car—His Entire Body Was Badly  
Mangled.

Wade, Nov. 30.—Sumner Langford,  
about 20 years old, got run over and  
was literally ground to pieces yester-  
day morning on the Dutton phosphate  
company's railroad, at the Dutton  
commissary.

The train was moving up to the  
woodrack, a small distance from the  
commissary, and in trying to board it  
the unfortunate young man made a  
mistake and fell between the cars.  
Both legs and one arm were severed  
from the body, which was also badly  
mangled. He died instantly. He was  
a nephew of Frank and Lewis Lang-  
ford and well liked by all.

### THE ANNUAL BAZAAR.

Woman's Guild of Holy Trinity Church  
on December 7th.

The annual bazaar held by the Wo-  
man's Guild of Holy Trinity Church  
have become such well known and po-  
pular functions it would seem unneces-  
sary to advertise them, except that  
the one to be held on the afternoon  
and evening of December 7th at the  
opera house bids fair to rival any pre-  
vious one in extent and thoroughness  
of arrangement.

Every committee represents a force  
of earnest workers, full of zeal for its  
respective department, and with the  
cheerful aid of friends, present and ab-  
sent, an extensive and elaborate array  
of articles both useful and beautiful  
have been secured to supply the de-  
mand of a public that has learned to  
appreciate the efforts that the Guild  
has always made to please.

The refreshment booth, always a  
most popular department, has made  
extensive orders of oysters, poultry,  
cream, etc., and promises to enter in  
the most satisfactory manner possible  
to the most discriminating palate.  
Mrs. Richards is in charge here with  
an able corps of assistants.

Another noteworthy feature is the  
candy and flower booth with Mrs. S.  
J. Thomas as presiding genius, and  
here an abundant supply of fresh fine  
candies can be found at a reasonable  
price.

The fancy work booth with Mrs. D.  
O. Warner as chairman, the stock,  
handkerchief and belt booth, Mrs.  
Colelough, baby's booth, Mrs. Morrow,  
and household, Mrs. Phillips, as chair-  
men, are all to be admirably equipped  
with a varied assortment of useful and  
beautiful articles.

The market booth under Mrs. Pat-  
ton's care will be a rich storehouse of  
choice supplies, mostly homemade, and  
the handiwork of expert housekeepers.  
Here are to be found jellies, pickles,  
jams, bread, pies, cakes, and which  
will surely find a ready sale.

A new and unique feature of this ba-  
zaar will be a palmistry booth under  
the skillful care of Miss L. Cook, who  
is an expert in this line. Here your  
palm may be read and your character-  
istics described in a thoroughly scien-  
tific manner by one who has studied  
and knows her art. This feature is  
sure to please.

Everything connected with these ba-  
zaars is conducted on a strictly busi-  
ness basis, and each patron may feel  
sure of getting as nearly his money's  
worth as it is in the power of the man-  
agement to give him.

### LaGrippe and Pneumonia.

Pneumonia often follows lagrippe,  
but never follows the use of Foley's  
Honey and Tar. It cures lagrippe,  
coughs and prevents pneumonia and  
consumption. Ask for Foley's Honey  
and Tar and refuse any substitute of-  
fered. Mr. G. Vacher, 157 Osgood  
street, Chicago, writes: "My wife had  
a severe case of lagrippe three years  
ago and it left her with a terrible  
cough. She tried a bottle of Foley's  
Honey and Tar and it gave immediate  
relief. A 50-cent bottle cured her cough  
entirely." Refuse substitutes. J. W.  
McCollum & Company.

### THE PUBLIC SCHOOL.

University, Graded and High School  
Enjoying a Fine Term.

The University Graded and High  
School now has an enrollment of four  
hundred and sixty-nine, which is the  
highest enrollment in the history of  
the public school system of Gaines-  
ville.

The work being done at this term is  
also superior to former years, since the  
studies in various branches are more  
diversified, and a high school depart-  
ment has been added.

In speaking of the school Wednes-  
day, Prof. W. N. Sheate, the principal,  
stated that he felt gratified at the suc-  
cess of the institution. There are  
twelve departments, and he is oper-  
ating the school with a teacher for each  
department, although he declares that  
number is hardly sufficient. Each de-  
partment is in a congested condition,  
owing to lack of room, but under the  
circumstances everything is moving  
nicely.

There is no doubt but that the Uni-  
versity Graded and High School is one  
of the best public institutions of its  
kind in the South, and has done a  
great deal towards advertising this  
city to the outside world.

### Grip Quickly Knocked Out.

"Some weeks ago during the severe  
winter weather both my wife and my-  
self contracted severe colds which  
speedily developed into the worst kind  
of la grippe with all its miserable sym-  
ptoms," says Mr. J. S. Egleston of  
Maple Landing, Iowa. "Knees and  
joints aching, muscles sore, head  
stopped up, eyes and nose running, with  
alternate spells of chills and fever. We  
began using Chamberlain's Cough  
Remedy, aiding the same with a dose  
of Chamberlain's Stomach and Liver  
Tablets, and by its liberal use soon  
completely knocked out the grip." These  
tablets promote a healthy action  
of the bowels, liver and kidneys which  
is always beneficial when the system is  
congested by a cold or attack of the  
grip. For sale by all druggists.

### The Twentieth Century Club.

On Monday afternoon, Nov. 27th,  
the Twentieth Century Club met as  
the guests of Mrs. Bromley at the  
home of Mrs. C. A. Colelough, with  
the president in the chair and Mrs. J.  
B. Gerald as leader.

There was a good attendance, and  
five new members added to the roll.

After the regular order of business  
the literary program was opened with  
a paper by Mrs. N. D. Phillips, "The  
Russian Spy System, Nihilism and  
Teaching Nihilists," followed by one  
from Mrs. Gerald on "Siberia, the  
Land of the Exiles." Both of these  
were most instructive and enjoyed by  
the club.

Mrs. L. C. Smith's reading on  
"Agricultural Russia" concluded the  
program, after which the club ad-  
joined to meet December 11th with  
Mrs. W. M. Dale.

### Torture of a Preacher.

The story of the torture of Rev. O.  
D. Moore, pastor of the Baptist church  
of Harperville, N. Y., will interest  
you. He says: "I suffered agonies,  
because of a persistent cough, result-  
ing from the grip. I had to sleep sit-  
ting up in bed. I tried many re-  
medies without relief until I took Dr.  
King's New Discovery for Consump-  
tion, Coughs and Colds, which entirely  
cured my cough and saved me from  
consumption." A grand cure for dis-  
eased conditions of throat and lungs.  
At all druggists; price 50c and \$1.00,  
guaranteed. Trial bottles free.

### IN THE CIRCUIT COURT.

Only One Case Tried, and Verdict of  
Murder in Second Degree.

The circuit court convened at 2  
o'clock Friday afternoon, after having  
adjourned for Thanksgiving Wednes-  
day afternoon.

The only case brought before the  
court Friday was that of the State of  
Florida vs. James Henry, charged with  
murder of Paul Roberson at Grove  
Park on January 18th of the present  
year.

The prisoner having been previously  
arraigned and pleaded not guilty, the  
case went to trial, after empanelling  
and swearing in the following jury: J.  
L. Chesser, O. C. Fletcher, J. M. Ma-  
son, Alex. Howe, J. A. McKinstry,  
August Wenske, A. Ahrens, O. B.  
Bailey, H. C. Roth, J. P. Benknight,  
M. F. McCook, W. D. Fagan.

The State introduced five witnesses,  
defense none, after which arguments  
began. The case was opened by E.  
Noble Calhoun, son of State's Attorney  
Calhoun, who spoke for twenty min-  
utes. This young attorney showed  
conclusively the ability of his father  
in the profession, and presented a very  
favorable argument to the jury on  
the side of the State. He was  
followed by Attorney Robt. E.  
Davis for the defense, whom it is  
not necessary to add made an im-  
pressive talk for his client. State's  
Attorney Calhoun was the next  
speaker for the State, and he  
was followed by Hon. James H.  
Tillman of South Carolina, who came  
all the way from Edgefield, as he termed  
"for a matter of justice" to defend  
a child of a slave who belonged to his  
father. Governor Tillman spoke only  
a few moments, but his remarks were  
eloquent and full of interest.

The jury retired at the supper hour  
and about 10 o'clock returned a ver-  
dict of guilty of murder in second de-  
gree, with a recommendation to the  
court.

### The Key That Unlocks the Door to Long Living.

The men of eighty-five and ninety  
years of age are not the rotund well  
fed, but thin, spare men who live on a  
slender diet. Be as careful as he will,  
however, a man past middle age will  
occasionally eat too much or of some  
article of food not suited to his consti-  
tution, and will need a dose of Cham-  
berlain's Stomach and Liver Tablets to  
cleanse and invigorate his stomach and  
regulate his liver and bowels. When  
this is done there is no reason why the  
average man should not live to old  
age. For sale by all druggists.

### North Gainesville Frolic.

Through the courtesy of J. J. Freeze  
a number of the young people of  
North Gainesville enjoyed a case  
grinding Tuesday evening. There were  
several couples, and it is needless to  
add that the evening was passed in a  
most enjoyable manner.

Mr. Freeze has been grinding cane  
all week, and expects to make a quan-  
tity of fine syrup, as his product is of  
a select quality.

### Furious Fighting.

"For seven years," writes Geo. W.  
Hoffman of Harper, Wash., "I had a  
bitter battle with chronic stomach and  
liver trouble, but at last I won, and  
cured my diseases by the use of Elec-  
tric Bitters. I unhesitatingly recom-  
mend them to all, and don't intend in  
the future to be without them in the  
house. They are certainly a wonder-  
ful medicine, to have cured such a bad  
case as mine." Sold under guaran-  
tee to do the same for you, by all drug-  
gists at 50c a bottle. Try them today.
